

Summer Learning Chain

This Summer Learning Chain is a fun way to keep your child's brain working this summer. Print the packet and cut into strips. Throughout the summer have your child choose a paper strip and complete the activity. Once the activity is finished, tape or glue the strip into a circle. Continue to attach the paper strips onto each other as a chain. Be sure to send a picture of your chain to Mrs. Israel for a surprise when you return to school!!

Write about something fun you have done so far this summer.

Make a list of adjectives to describe yourself.

Make a list of **ai** and **ay** words.
