

# Incoming 6th-Grade Summer Reading

**Step One:** Purchase **Out of My Mind** by Sharon Draper. You will need your own copy of the book for the summer reading and for the first few weeks of school. You may also want to buy small post-it-notes to tab pages where you find important quotes and ideas. This will help you remember what you read and help you complete the assignment below. Since you will own the book, you may also write notes in the margins.

You may buy it anyplace, but here is the Amazon link:

**Step Two:** Review the assignment choices before reading the book, so you can mark pages that you would like to refer back to while writing.

**Step Three:** Read the book.

**Step Four:** Choose ONE of the following three assignments to complete. Be sure to include at least five or six **specific details or ideas** from the story. The assignment may be typed or handwritten. Length: 2-3 pages 12-point font, double-spaced or handwritten without skipping lines. Correct grammar, spelling, and punctuation are required for all three assignments.
